## “We work here!” – People of OWSK.

As you saw in the first magazine we are the One World Secondary School. We continue this magazine and I want you to know that we have a lot of workers and there are sixteen of them. We are happy that we have good teachers, matron, patrons, chef, engineers and volunteers. We love them all very much! Here is a short presentation:

**Mr. Karl-Heinz:** This is our school head master. He knows what to do at the school. He is our good German teacher and a very good man. He loves the entire students. A few weeks ago he made a party for McDonald, we were very happy to see that. And he said that it is possible for some of the student to go to Germany next year. I wonder which good man can take you to Germany. We all love our director.

Now trust this school and magazine and you will get good stories from him!

**Mr. Lazarus:** This is a Tanzanian teacher. He teaches us Biology, Chemistry, Maths and we have a club with him called SCIENCE CLUB. He is our academic master. We really like his subjects. He always tells us to follow the school rules and he said that if we follow the school rules and obey our elders, we will pass our exams.

**Mr. Mtango:** This is a Tanzania teacher, too. He teaches us Civics, History and English. Mr Mtango is our discipline master; we are not allowed to

abuse or fight in our school. At our school we are a mixture of students and tribes. Everyone is welcome in our school. He decides to teach civics because we are nearly to go to form two and history because he was the best teacher of St Judith Sec School. We love Mr Mtango; he loves us all.

**Mr. APK – Andrew Peter Kihampa:** He is a teacher who teaches us Physics and he is a really good teacher.

**Mr. Sekachemba:** He is a teacher who teaches us Geography, he is very kind and active. He knows the way to teach student, he teaches very well and we love him.

**Mr. Wilson:** Mr. Wilson is still our I.C.T teacher from Preform 1 class. But the big problem is that we don't have enough computers in our school for the lessons. But we are facing to have more computers in September and that's when we are going to begin with practical lessons.

**Mrs. Wema:** She is our Kiswahili teacher and we are really proud of her. We have already covered the Kiswahili text book 1. We will soon start with Kiswahili book 2.

**Mr. Mtei:** He is our Commerce and Bookkeeping teacher. He was also a teacher at Mwanga Secondary School. We love him and he loves us too, he always says that business is the way of having success in life.

**Mrs. Fadhilina:** This is our matron she takes care for the girls and she also serves the food in equal size. She loves all girls and they are Shakilah, Shammim, Hajra, Amina, Vivien, Tamari, Fina, Ruth. They are the best girls and good students to Mrs. Fadhilina.

**Mr. Kiraro:** This is our patron, who takes care of the boys and he also takes care of our plant and looks for the water every day. He's a nice man to the whole school but he also respects Mr. Karl. Mr Kiraro told us that he has three children and one of them is an actor. He

loves all the boys and the boys are Simon, Norbert, Ibrahim, Jackson, Goodluck, Samuel, Rashid, Marcelino, Amiri, Manuel, George and McDonald. We love our patron very much!

**Mrs. Hadhija:** This is our cook; she always cooks delicious food. We have several meals: e.g. porridge, Chipsi, wali maharage, pilau, chapati, fruits, mchicha, potatoes and ugali. We love Mrs.Hadhija so much.

**Mrs. Upendo:** She is the cook of our head master and head mistress. She always cooks them good food so they

teach and control well in our school. She also helps Hadija in cooking scones for the students. We love Mrs. Upendo very much.

**Mr. Peter:** This is an engineer, who constructs our school. He made our classes and dormitories and he will make a new library. We are always happy and proud of the engineer.

**Mrs. Swantje:** This is our head Minister. She knows many things about us and our parents. And she also said

that in September we will have a safari with the German students. She also knows the problems in our school. She said that one day she will make a big tank so we get much water in our school. Every student goes to Mrs. Swantje when he/she has a problem.

**Mr. Louis:** This is our volunteer, who takes care for the school and also teaches. He also looks for new volunteers in Germany and we play with him football, we joke him. He is really good to us and we are happy to be with him. But we are happy for him that he will leave to university soon. Our school head master knows what to do at his side. We all love Mr. Louis.

**Mrs. Nina:** She is also a volunteer. She teaches us Mathematics with Mr. Lazarus. She organizes the magazine with us and she is here for us. She is a musician in Germany and she has a

## **Who is our new Volunteer? – An Interview with Tonja**

OMA: Is it your first time in Tanzania?

Tonja: Yes, it's even my first time in Africa!

OMA: Which kind of sport do you like?

Tonja: I like dancing, playing volleyball and I also do yoga.

OMA: What do you think about our ONE WORLD ONE MAGAZINE Project.

Tonja: It sounds great! I'd really like to join the team if I may because I initiated a school magazine at my school, too. And I enjoyed it a lot!

OMA: Why are you coming to our school?

Tonja: Because Mr. Köhler's Stories about his school in Tanzania

fascinated me! I really wanted to meet all these nice people he was talking about and I wanted to see the beautiful Tanzania he was describing. I made the decision to go abroad after school before that because I simply wanted to see something else than my own country.

OMA: Do you have brothers and sisters?

Tonja: Yes, I have a younger sister, Greta! She's 15 years old.

OMA: What job are you doing?

Tonja: I just finished school so I don't have a job yet.

OMA: In which school did you start Form 1?

Tonja: My school is called Oskar-von-Miller-Gymnasium in Munich. I'm going to bring along some pictures of my school to show them to you. I'm really looking forward to meet all of you in August and I was overjoyed to hear from you already!

## From Tabu to Furaha

A long time ago there was an orphan girl, who didn't have a family or a place to live. One day she was walking at the street and she met a white woman. She had never seen a white woman or man before. She only lived with orphan children. The woman felt sorry for her and then she asked her "What is your name", but the girl didn't understand so she ran away.

But that woman didn't give up so she went and took one child who knew the orphan's language. And the girl asked the orphan child about her name. And the girl said "Jina langu naitwa Tabu."

The girl who asked for her name studies at the ONE WORLD SECONDARY SCHOOL and she asked "Would you like to study at our school?" and she explained in Swahili, "Ungenda kusoma katika shule

yetu?" And the girl said, "Ndiyo, ningependa."

So the girl started to study and now she is a good student and she has changed her name. Now she is called "Furaha". It means Happiness because the white woman helped her (vt)

## This Land is our Land

Tanzania is a beautiful country and it has a fruitful ground. It also has big forests, which brings rain. In our country we have many National parks. They bring us money and jobs for our people in Tanzania. Some of our National parks are: Serengeti, Tarangire, Ngorongoro and Mikumi.

We also have a big mountain called Kilimanjaro.

We have a lot of birds, for example:

Mbuni Masai and Koko

In Tanzania we have many tribes like Maasai, Makonde, Pare, Chagga and Pogoro.

In our National Parks we have a lot of animals. We have Lions, Giraffes, Elephant, Monkeys, Zebra and many more.

We welcome you in our country!

I LOVE MY PEOPLE!

I LOVE MY COUNTRY!
